

BUS TRANSPORTATION for Mokena public grade school children was put into operation last week with delivery of a new bus to the school. The bus was purchased thru the Swanberg Implement Co. and Charles Swanberg (left) is shown here delivering the keys to School Supt. James Ennis. At the right is Vernon Bormet who will drive the bus. There are 175 pupils in the school. Since the bus seats but 66 it will be necessary to make three trips each way to accommodate all the pupils. The territory extends from Kohlwood to Arby Hills. There are 65 pupils who live a mile and a half or more from the school. The state will share in the cost of the transportation of such pupils. The Mokena school district is not paying any of the transportation costs, the board told the parents who urged that a bus be furnished. The parents are required to buy tickets in advance--\$4 a month for one child, \$5 for two children and \$6 for three or more. The bus, it was said, should put an end to the traffic jams at Willowcrest and Carpenter street schools occasioned by parents coming to deliver or pick up youngsters. (Graphic Newspaper Photo)

See Lively Races For School Board Posts

With two more days left to file nominating petitions there are five candidates in the race for the two places open on the grade school board at Mokena.

Saturday, March 23, will be the last day for filing petitions but some districts will make the deadline the close of school on Friday in cases where the petitions must be filed in school offices. At Mokena however, the board secretary, James Stewart will accept petitions at his home up to 5 p.m. Saturday. He resides on 194th street, Sunny Acres.

Candidates for the Mokena board are:

Mrs. Victor Peterson, of Kohlwood, who came to Mokena four years ago with her husband and four children. They had been living at Dolton, Mr. Peterson is a carpenter.

Ralph Thompson, a resident of Mokena for the past nine years and an active figure in the Lions Club. He is employed as a salesman for the National Screw and Bolt Co. of Cleveland. He has a son in grade school.

Robert Best, a resident of Arbury Hills for the past two and a half years, coming there from Texas. He is employed by the American Medical Association at Chicago. The Bests have three children, two of pupils at Willow Crest school.

Fremont Warning, a rural mail carrier, who is a native of Mokena. He is married and has a daughter who will begin school next fall and a son who is still a pre-schooler.

Chester Ebert, farmer and operator of the Ebert Phosphate Co. at Mokena, is a candidate for re-election. He was first appointed to the board to fill a vacancy caused by the resignation of Lyman Teague. He served by appointment until the following April (1962) when he was elected to serve out the remaining year of Teague's term. Now he is seeking election for a full three-year term. Robert Geuther, the other incumbent whose term expires, is not a candidate.

The Carpenter Street school will serve as the polling place

for the school election April 13, and will be open from 12 noon to 7 p.m.

New Lenox is sure of a contest, too, it was said. Only one petition had been filed as of Tuesday forenoon--that of Victor Miller, of 201 N. Pembroke in Cherry Hill. Mr. Miller has been a resident of the Joliet area for the past 15 years and is an industrial engineer for the E.J. & E. railroad. He is married and the father of four children, two of whom are pre-schoolers. The Millers have one youngster in the third grade and one in kindergarten.

The two New Lenox school board members whose terms expire this spring, attorney John B. Anderson, Jr. and Roy Fitzer, have taken out petitions but had not filed them up to noon of Tuesday. There will be someone in the office at Oakview school on Saturday to accept any petitions that are left to the last minute.

At Frankfort three board members are to be elected. Up to Tuesday none of the incumbents, Walter Haakinson, Wilbur Hossbach or Paul Lambrecht are reported to have indicated they would seek re-election. Only two petitions have been filed, one by Melvin A. Eisenbrandt and the other by Thomas Henry Hedge. Petitions have been taken out by Clifford Woodman and Lois Ebert, it was stated, but neither had filed up to noon Tuesday. Last day for filing there will be close of school tomorrow (Friday).

Groups Plan Variety Show

A spring variety show entitled, "Knight Life," will be presented by the Girls Glee club and the Stage Band of Lincoln-Way high school. They will perform under the direction of Larry Cullison. The program has been scheduled for April 5 and 6 in the school auditorium beginning at 8 p.m.

Admission is \$1 for adults and 50 cents for students.

Girl Scouts Attend Rally

Girl Scout troops of Mokena, Frankfort and New Lenox are planning their rally day, which will be held on Sunday, May 5, at 2 o'clock at the Joliet Township high school.

Over 360 girls from 18 troops are expected to participate in this rally.

The theme for this year, "The Trefoll Around the World" will be acted out by the troops representing various countries. Admission to the rally is free, as it has been in past years. All the public is invited to come to see their neighborhood Girl Scouts perform.

The chairman of the rally is Mrs. Robert T. Lang of Mokena.

Edith Bock Dies At 80

Mrs. Edith A. Bock, 80 years old, a sister of Fred Steinhagen of Mokena, died Friday, March 15 at Blue Island following a long illness.

She was born in Frankfort township in 1903, the daughter of the late Mr. and Mrs. Fred Steinhagen. She was a registered nurse, having been graduated from the Silver Cross hospital school of nursing. She was a member of the Blue Island Rebekah lodge.

Besides her husband, Frank, and her brother Fred, Mrs. Bock is survived by six daughters, Mrs. Dorothy McDermott, of South Chicago; Mrs. Lida Schellhase, Mrs. Marie Richards and Mrs. Betty Hagen, of Blue Island; Mrs. Edith Olson, Pasadena, Calif.; Mrs. Leona Conroy, of Oswego, Ill.; two sons, Waldon, of Washington, D. C. where he is serving with the airforce, and Franklin, of Blue Island; also another brother, Louis, of Oak Forest and two sisters, Mrs. Augusta Marquardt, and Mrs. Mary Milo, both of Joliet; 27 grandchildren and three great-grandchildren.

Funeral services were conducted last Monday from the Hallinan chapel in Blue Island with the Rev. C. A. Chamberlin and the Rev. Arlie Knipmeyer, of the Grace Methodist church, Blue Island, officiating. Interment was in Pleasant Hill cemetery, Frankfort.

Summit Hill Asks Raise In Educational Rate

The Summit Hill board of education voted at its recent meeting to authorize Superintendent H. James Wrath to set in motion the procedures necessary to seek approval for a maximum increase in the educational tax rate. The present educational rate for the District is .96 and the maximum increase is .21 which would allow the board of education to

levy \$1.17 per \$100 of assessed valuation for educational purposes.

The financial problems facing the district are similar to those of neighboring schools that have experienced growing pains. The increased enrollment has created the need for additional classroom space and this in turn has brought the cost of operating the expanded plant

beyond the present income of the district.

The voters of Summit Hill district approved a bond referendum on Sept. 15, 1962 to cover the cost of adding classrooms and a multi-use room to their Arbury Hills school. Construction of this addition is underway at the present time. The expanded facilities will be ready for use this fall. The

problem of operating a school which will double in area has brought the board of education to the people of the district for help.

An election to allow the voters of the district to approve the request for tax increase will be held Saturday, April 13, 1963. This is the same day as the regular school board election and will allow the use

of the same judges and facilities for voting. A special election would involve additional expense which the board wishes to avoid.

Supt. Wrath is arranging a schedule that will bring him in contact with as many of the people of the district as possible between now and the election, in order to inform the voters of the financial problems of their school.

L-W Looks Like Repeater In State Music Sweepstakes

Lincoln-Way high is leading the Class A schools in sweepstakes points as a result of its showing last Saturday in the solo and ensemble contests at Homewood-Flossmoor school. Continued success in the state organization contest for bands and choruses to be staged at Joliet high April 20, will mean that Lincoln-Way will win the Sweepstakes Trophy awarded by the Illinois High School Association for the second consecutive time.

Last year Lincoln-Way won the award with all four of its entries--band, mixed chorus, girls chorus and boys chorus, taking ratings of "superior."

In the contest at Homewood, Lincoln-Way scored 147 points, according to the unofficial returns, which was at least 31 higher than West Aurora or Kankakee, which finished two-three in the order named.

In the state meet at Joliet the points earned will be included with those acquired April 20.

Results of the contest at Homewood-Flossmoor:

Superior
Carole Hammond, cornet; Martha Otto, oboe; June Swannert and Michael Cullen, piano; Robert Horras, snare drum; Susan Webb, clarinet; vocal soloists Peter Burns, Richard Osamus, Charles Johnson, Lorraine Kramer, Sandra Gregory, Judi Owen and Sandra Gregory; a vocal duet, woodwind trio, clarinet trio, two girls' double vocal ensembles, a boys' single vocal ensemble, flute quartet, cornet quartet, two girls' single vocal ensembles, woodwind duet, brass duet, miscellaneous woodwind chamber group, and a percussion ensemble.

Excellent
Lettie Fiegen, oboe; Lynn Buck, piccolo; Bill Alexander, French horn; Terry Fleishmann, baritone; vocal soloists

Girl Drill Teams Will Give Show

The Dominos, all girl color guard, will sponsor their third annual color guard contest, "Colors in Motion" on Saturday, March 23 at Lincoln-Way high school.

The contest will start at 6 p.m. and will have the national champion Junior American Legion color guard, the Shadows, from Kankakee as one of the entries. Also appearing on the program will be the Midwest color guard champions, the Mariners, from South Milwaukee, who have successfully won 28 of their last 33 contests.

Color guards entered in this show will come from Chicago, Rockford, Des Plaines, Evergreen Park, Wisconsin, Indiana and Iowa.

The Dominos are sponsored by the Bohzin-Swinford Post 1098, American Legion, Frankfort. Kenneth Brown, of Frankfort is their director and Tom Geary of Mokena is assistant director.

The affair is open to the public.

Toby Nichols, Lyn Gilmore, Mike Hart, Bonnie Fredin, Lynn Stauffenberg, and Steve Stauffenberg; a vocal duet, two mixed single vocal ensembles, two mixed double vocal ensembles, saxophone quartet, brass duet, flute trio, miscellaneous wood-

wind chamber group.

Good ratings were won by Doreen Smith, Bass clarinet; John Venckus, trombone; a brass sextet; Janice DuBlen, clarinet; a boys' double vocal ensemble; and vocalist Tom Fee.

Mokena Plan Group Names Officers

The Mokena Plan Commission elected Elias Brown as its chairman for the current fiscal year and the 1962 chairman, Ralph Yunker, was elected vice chairman. Mr. Yunker is engaged in specialized study in engineering and felt he could not continue giving the time necessary to handle the chairmanship, at this time. Leo Marcoux was re-elected as treasurer.

The chairman appointed the following committees for 1963. Industrial development: Maurice P. Angland, chairman, Leo Marcoux, and Berele Needham.

Schools: H.J. Wrath, chairman, Robert Geuther, Lawrence Kohl.

Parks: Berele Needham, chairman, Leo Marcoux, and H.J. Wrath.

Public relations: Robert Geuther, chairman and Lawrence Kohl.

Residential: Al Kuchenbecker, chairman, and Ralph Yunker.

Capital improvements: Al Kuchenbecker, chairman, Lawrence Kohl and Ralph Yunker. Representatives to village board: Robert Geuther and Ralph Yunker.

Fire House Bond Issue Up Week From Saturday

Voters of the Frankfort fire protection district will go to the polls a week from Saturday, March 30, to vote on the question of authorizing a \$130,000 bond issue to finance the building of a new fire house.

The fire department, which is made up of volunteers, was formerly maintained by contributions. A couple of years ago a fire protection district was formed so that the department will be tax supported, for the most part.

The village supplied the department with garage space in the village hall but this has been outgrown and the village also needs the space, it was pointed out in a brochure published by the fire district last week. Because of lack of quarters the department has had to park its water tank truck out of doors. This meant that in winter the truck can be filled only when it is to be put in use. This could cause loss of a home or building, it was agreed, thru loss of time in getting needed extra water to a fire.

The fire district is expected to have its own quarters and the trustees have an option on a proposed site for a fire house on Nebraska street, that is bounded on the west by Locust street and at the rear by Joliet street. The trustees had considered two other sites but believe this one is the best and costs the least.

The proposed fire house would be 68 x 70 feet, with two floors. It would provide space for six pieces of apparatus, which is double the present complement. A large room on the second floor could be used for public gatherings and if and when Frankfort should become a paid department this room could serve for dormitory purposes.

There will be four polling

places used in Saturday's election. No. 1 will be the Frankfort village hall; No. 2 is the Ann Rutledge school, 80th ave., Lincoln Estates; No. 3 is the Green Garden town hall, and No. 4 is the Arbury Hills school. The polls will be open from 6 a.m. to 6 p.m.

The price on the land is \$14,000. The estimated cost of the building is figured at about \$100,000, and the landscaping of the site at around \$8,000. The architects fees, legal expense and cost of the election would also come out of the bond money.

Annex Near-Section To Village Of New Lenox

At a special meeting of the New Lenox village board, March 12, some 610 acres of farm land lying to the west of the present village limits were annexed to the village. This land, all owned by John Warren of New Lenox Road, is made up of three tracts. The so-called dairy farm lies west and south of St. Jude's church, Mr. Warren's home farm lies between the Michigan Central railroad and the New Lenox road and the Gougar road. The so-called Gougar place lies to the west of Gougar road and extends to

the new Cherry Hill school. The right-of-way of the Michigan Central railroad from New Lenox to Cherry Hill was annexed, also.

Mr. Warren plans to develop three small areas for residential subdivisions; a few lots along Ogden road, a few lots north of St. Jude's along Haven Road, and a small tract adjacent to the Cherry Hill School.

The balance of the land is being held for industrial development for which it is well-suited on account of the abundance of rail and highway transportation.

CANDIDATE FOR NATIONAL HONORS--Roberta Lang, a seventh grade student at Carpenter Street school, Mokena, has a chance to win in the national competition for pupils in her grade who are entered in the D.A.R. essay contest. Roberta won the local contest, sponsored by the Mokena Book club and the DesPlaines Valley chapter of the Daughters of the American Revolution. Her essay, "The Trail of the Savage," was the winner in the state D.A.R. contest for seventh graders and that makes her eligible to compete for national honors. She is shown here leafing thru the book that was awarded to her as state winner. The volume deals with history. (Graphic Newspaper photo)

IMPROVE LIBRARY at New Lenox. The board of trustees recently purchased 24 units of shelving to replace some of the old book cases. The new shelving will give from 25 to 30 per cent more space for books. The equipment, which was purchased from the Illinois-Indiana General Equipment Sales, of New Lenox, thru John Oster, former superintendent of schools there, cost \$850. This price was the lowest of several bids submitted. New lighting is planned for the library and other equipment will be added as soon as possible to modernize the plant. The librarian, standing in the new section of shelving, is Mrs. Algot N. Peterson. (Graphic Newspapers photo)

The Summit Hill Parent-Teacher Group held their March meeting at the school last Thursday, March 14. A surprise attendance by the three nominees for the Lincoln-Way High School Board, was early on the agenda. Those present were: Harold Miller, Don McClure, and Mrs. Bob Fuley, who represented her husband who is running. Each nominee gave a short resume of his qualifications for office. It was announced that the voting for the school board would be the same time as the voting for the Summit Hill School Board, on April 13, a Saturday, between the hours of 12 noon and 7 p.m.

The executive board will act as nominating committee for the forthcoming elections to be held next month at the April 11 meeting.

The attendance award was won jointly by the seventh and eighth grades for the most parents in attendance at the meeting.

The panel discussion was held following the business meeting. The discussion centered around the subject of "How Your Child is Taught to Read." Both charts and books were used to illustrate the discussion. Those who participated in the discussion were: The two first grade teachers, Miss Anderson and Mrs. Mac Donald, the second grade teacher, Mrs.

Corp., and the third grade teacher, Mrs. Schilling. In addition the superintendent of the school, H. James Wrath, also participated.

Refreshments following the meeting were served by the third grade mothers.

Next months meeting, to be held at the school on Thursday, April 11 at 8:00 p.m., will see the election of officers for the coming year. There will also be two committees appointed; one committee will be set up to run the all-school picnic which will be held at Mokena Park on June 2. The second committee will be for the preliminary plans for another Fun Fair which will be held during the next term of office.

The second grade mothers will act as hostesses for the April meeting and will serve the refreshments.

There are three vacancies to be voted on for the Summit Hill school board. There are two openings for three year terms and one opening for

declared winners of the New Lenox District 122 spelling contest conducted among grades six, seven and eight. Lynn Marek, daughter of Mr. and Mrs. Ben Marek; Gary Jahneke, son of Mr. and Mrs. Bert Jahneke; Wayne Mooney, son of Mrs. Mary Ann Mooney and Sidney Nordwall, son of Mr. and Mrs. Lawrence Nordwall. These students are now eligible to compete in the sectional contest of the Will county spelling contest. Sectional winners will compete in the county finals to be held in Joliet.

Students who are alternates from New Lenox are Rodney Runestad, Cathy Konopack, Cindy Tinley and Sharyne Purler.

William Heidrich and Howard Handorf, members of the board of education, and Arnold Tyler, superintendent, and Mr. Kruck, principal of New Lenox School District 122, attended the 14th annual Will County Principals and Superintendents Association dinner held at the Masonic Temple in Joliet on March 13.

M.R. Kruck, principal of the New Lenox School District 122 attended a two-day training conference in curriculum development for the elementary schools held at Starved Rock State Park March 14 and 15.

This conference was attended by school administrators and supervisors from the Northern Illinois area and was sponsored by the Illinois Curriculum Program under the direction of the State Office of Public Instruction.

The Krusemark Holstein moved into the "Excellent" bracket for the first time during a recent classification of the herd by J. A. Fairchild, Berwick, Pa. - an official inspector on the staff of the national Holstein organization.

She scored 90 points. Animals scored "Excellent" in previous programs are not included in this listing.

The classification program in continuous operation since 1929 - provides a universally-recognized method of comparing the conformation of living animals with that of the true-type Holstein cow or bull. Participation is currently at an all-time high level.

Homer

By Elizabeth Anderson
A large group of relatives and friends gathered at Northwest Homer Fire House last Sunday afternoon to honor Miss Rita Lange of Lockport with a miscellaneous shower.

The room was prettily decorated in the bride's chosen colors, and a delicious buffet luncheon was served by the hostesses, who will be Miss Lange's bridal attendants. They are Mesdames Margaret Adelman, Grace Donahue, Esther Gores and Alice Lange, sisters-in-law of the bride, who on April 20, will marry John Adelman, son of the Charles Adelmans of 147th St., at St. Alphonsus Church in Lemont. The bride's parents are Mr. and Mrs. George Lange of Lockport.

John, who is stationed at Ft. Benning, Ga., with the U. S. Army, will come home on Good Friday, on a furlough which will last until after the wedding. The couple will live at Ft. Benning for the present.

Mr. and Mrs. Loren Sass, Mr. and Mrs. Robert Burch and Mr. and Mrs. Charles Jungles attended a dinner and meeting of the Northern Illinois Valley Soil Conservation Association at Hersher on Monday evening of last week. The program was on Russian agriculture.

On Wednesday evening, several members of the 33-C school board, accompanied by their wives, and most of the teachers and their husbands, attended the annual dinner meeting of Will County school personnel, at the Masonic Temple in Joliet.

The 8th grade graduating class of 33-C held a business session last Friday. Among other things, they elected Tom Jungles as class president and chose red and white for their class colors.

Neil Garabrant of E. Division St. is a surgical patient at Silver Cross hospital. His condition is satisfactory.

Ross White, 151st St., is critically ill at the Oak Bluff Nursing Home.

Mrs. Wilbur Francis Sr., well known to many Homer people, has returned to the home of her daughter, Mrs. Ray Meadows, in Lockport, after spending the winter with her son, Wilbur Jr. and family, at Manhattan.

The Union Lenten service for March 24 will be held at First Methodist Church, Lockport, when the Rev. William Deutsch of St. John's Episcopal Church will be the main speaker. There will be special music. All are welcome.

On March 24, the fourth Sunday of Lent, Rev. Cox has chosen for his sermon topic, "Why Should I Worship?" There will be appropriate special music.

Billy Robinson, aged 6, of Chicago, arrived Friday, to make his home with Rev. and Mrs. Cox. He will attend school at 33-C.

Mr. and Mrs. Ralph Reiter, 159th St., have opened a clothing and gift shop at the Maryknoll Shopping Center on 4-A north of Lockport. Mrs. Dale Collins will manage the store. A Grand Opening was held Wednesday evening, March 13.

The Missionary Society will meet at Homer Church on Thursday, March 28, at 1 o'clock.

Mrs. Clara Reed (nee Woelfel) died Wednesday morning, March 13, at the Habenicht home on Hillcrest Rd., near 143rd St., following many years of poor health. She was the daughter of the late Mr. and Mrs. John Woelfel, also of 143rd St., and had lived her entire 85 years within a short distance of her present home.

On Dec. 26, 1900, she married Harry Reed, a farmer, whose maternal grandparents are thought to have been the first white settlers in Homer twp. Mr. and Mrs. Reed celebrated their golden wedding anniversary in December 1950 with a large gathering of friends assisting. Mr. Reed died three years later.

Mrs. Reed maintained her own home as long as her health permitted. A few years ago she moved to the nearby home of her daughter, Mrs. Verna Habenicht. She also leaves another daughter, Mrs. Leta Haley of Chicago and a son, Elwyn, of Homer twp.; also eight grandchildren and two great-grandchildren. A grandson, Roger Habenicht, is with the U. S. Army. She was a member of Good Luck Camp of Royal

Neighbors.
Funeral services were held Saturday afternoon at the Schmaedeke Funeral Home at Orland Park, with the Rev. Stanley Cox officiating. Burial was in Brooks Cemetery.

Mokena Man Gets Ticket After Crash

Judy Misiurewicz, 22, of 521 N. Hebbard st., Joliet, a passenger in a car driven by Donald Sands, 32, of Mokena, was hospitalized at Silver Cross last week-end for injuries suffered in a crash on U. S. 45, about a mile north of U. S. 30.

She was treated for facial hurts and a jaw injury, according to state troopers who covered the accident. State police believe Sands fell asleep while driving, according to the report and the car went out of control and struck an abutment. Police ticketed him on a charge of driving too fast for conditions.

Rust Remover Works In Frankfort Water System

Last week the Frankfort village board started treatment of the water supply to eliminate the presence of rust and already people have noticed the improvement in the condition of the water, it was reported at the meeting of the board Monday night.

Not only is the water completely clear in many areas where it had been running rusty but many believe the water is softer too.

This chemical keeps the iron in suspension and apparently bleaches it because already the rusty coating that lines flush boxes is being loosened and the stuff disappears, it was reported by Village Clerk Walter Pfaff.

In a couple or three weeks the lines are to be flushed and by then the entire system should be free of rust, it was said. The board has discovered that many commercial and industrial firms use this same treatment to keep their private water supplies free of iron. Frankfort housewives appreciate the improvement in the quality of the water supply—it saves them work and saves clothes to be laundered and dispositions.

Frankfort uses an average of 102,500 gallons of water a day in the winter months and 113,000 gallons a day in the summer, according to a breakdown of figures prepared by Pfaff. These figures are based on the amount of water metered. Frequently the amount pumped is greater because of leaks with which all water systems are plagued from time to time, it was pointed out.

Representatives of the telephone company are in Frankfort these days, it was reported at the board meeting, to get a cross section of opinion on extension of Frankfort's toll free service beyond Mokena, its present limit.

At the time it was proposed some two years ago to give Frankfort telephone subscribers a more extensive area to call without toll it was explained that such service would cost more. The representatives making the survey now point out that the extra cost would run to approximately \$1.50 for home phones and about \$5 more per month on business phones. It is proposed that with such a rate Frankfort residents would have toll free service to Joliet, New Lenox, Peotone, Monee, Matteson, Park Forest, Tinley Park and Chicago Heights, and of course Mokena.

All the members of the village board, including the mayor, plus the village clerk, said they were in favor of having this extended service and believed that all of the townspeople would like it too once

it became effective. Frankfort now has an average of 122,000 toll calls a year and if the extended service area is permitted by the Illinois commerce commission it was expected that four times as many out of town calls would be made, phone company representatives estimated.

The survey now in progress, it was indicated by the phone company, would determine whether the proposed extended service is to become effective. Grade School Band In Dist. Contest March 30

KATHARINE HEISNER
469-5187

The 56-piece Frankfort grade school band, Perry Friedman directing, will go to Coal City March 30 (a week from Saturday) to compete in the annual state district band contest.

Frankfort will compete against schools in Class E, and the selections the band will play are: Haydn's overture, "Militaire," "The Golden Eagle," and "Saber Dance."

Many parents will make the trip to attend the contest. The affair is open to the public. The Frankfort band, performing in its full dress uniforms of maroon and gold, will be trying for its fifth top rating.

The Frankfort Lions club has announced that they are collecting eyeglasses to send abroad. The lenses do not have to be usable as the frames are of the most importance if they are in good condition. Anyone having frames to donate may leave them at the bank with James Walker or at the clinic with Dr. Joseph Petnuch.

All calls for pick up by the Good Will truck are to be in by Tuesday, March 28 with Mrs. Ervin Schellhaas at 469-5425. The truck is due in the area on Thursday, March 28.

Reverend La Vern Smith will attend a Monee Regional Pastors meeting in Gary, Ind. beginning at noon on March 22, and on Monday March 25 he will be in Bellwood, Ill., at the Mission meeting at Peace church. The guest speaker for the day is Dr. James Bright, director of Evangelism of the United Churches of Christ.

Mr. and Mrs. Elmer Speckman and family of Hamel, Ill., were weekend guests of the Rev. and Mrs. La Vern Smith last week.

inity of the proposed airport and some persons living in the village are opposed to it. They call it a hazard and say it will depreciate property values.

Mrs. Irving Rudman, chairman of SPC which devotes its time and talents to improving Community park, appeared before the board Monday night to discuss plans for the coming season and to ask the village for aid in acquiring some playground equipment.

The village board voted to appropriate \$600 for this purpose and to donate some material for bicycle racks. Mrs. Rudman said that from the money provided by the village a closed - platform type of merry - go - round would be purchased along with a combination set made up of a slide, two teeter - totters, swings, rings and a trapeze.

Mrs. Rudman said that the pavilion built last year will be dedicated on Memorial day. Mayor George Sangmeister is to make a brief talk on that occasion and there will be volleyball and baseball games as a part of the program, plus refreshments to be served by the SPC.

Sharp Contests To Mark Campaign For L-W Board

Three candidates have announced their intention of running for the Lincoln-Way high school board. Two of them are incumbents, Lorin Schleeter, of Manhattan, Elias Brown, of Mokena, and the third man is Wendell Morrison, Frankfort business man.

On Monday of this week the group that led the fight against the inclusion of Lincoln-Way high school into a proposed southwest suburban junior college, announced thru a spokesman that it was putting up a slate of candidates.

The petitions nominating these three persons will be filed tomorrow (Friday) it was said, as the school office will not be open on Saturday.

The three are: Robert A. Fuley, of Mokena, who recently led a successful move to detach a portion of the Wietendorf school district. He is employed

at the Ford plant at Chicago Heights as a millwright; Harold Miller, of New Lenox, a member of the Joliet township high school and junior college faculty, and David McClure, a Manhattan farmer.

There will also be another candidate in the race, Dr. George R. Morgan, a dentist, who has his office in Frankfort but he and Mrs. Morgan reside at New Lenox. Dr. Morgan had not filed a nominating petition as of noon on Tuesday but he stated at that time that his petition would be on file by Friday.

The high school board election is the same day as that of the grade schools, April 13. There will be polling places at Manhattan, New Lenox, Frankfort, Lincoln Estates, Arbury Hills and Mokena and the polls will be open from 12 noon to 7 p.m.

May Register Now For Mokena Kindergarten

Registrations are now being taken for the Mokena Happy Hour kindergarten for the 1963-64 school year. The school is open to all children in Mokena and vicinity who will be five years old on or before Dec. 1, 1963.

Interested parents may call Mrs. George Rumbley at 479-5495 or Mrs. Louis Richards, 479-5071.

The Mokena Woman's club has operated the kindergarten as a non-profit community service for three years. The school is held in a room rented from the Methodist church, but the kindergarten itself is non-sectarian.

Missionaries To Tell Of Work In Pakistan

The Rev. and Mrs. John Feldmann, missionaries to Pakistan, will be at the Parkview Baptist Church, all day Sunday, March 24, to speak and tell of their work in that country. They are returning there.

The Rev. Feldmann does the preaching and evangelism, while his wife, Dr. Feldmann, has complete charge of a 100 bed hospital in northern Pakistan. The Feldmanns have four children. During the four years of their last term of service, Dr. Feldmann's grandmother was with them as cook and babysitter. Dr. Feldmann is the

daughter of the well known radio preacher, the Rev. Allan Blegen.

The Feldmanns will be at the Sunday school hour 9:45 a.m., the morning service, 11 a.m. Then at 5 p.m. there will be a "pot luck" supper in the basement of the church where Dr. Feldmann will have a display of curios and also answer questions. The evening service will be the last at 7 p.m.

They trust that as many as can, will avail themselves of the opportunity of hearing what is being done in Pakistan.

Death Takes Frankfort Man; Rites Monday

Paul Christiansen, 79 years old, late of Frankfort, died Saturday, March 16 at the Broadway Nursing home, Joliet, following a brief illness.

He was a native of Germany, having been born there Sept. 15, 1883. He came to this country with his parents while still a child so that most of his life was spent in this area. He farmed until his retirement some years ago.

Removal was to the Hirsch chapel at Tinley Park and was taken from there to St. Peter's United Church of Christ at Frankfort Monday afternoon where services were conducted with the Rev. La Vern Smith officiating. Interment was in Scheer cemetery, Frankfort.

Surviving Mr. Christiansen are, one daughter, Mrs. Viola Guritz, of Lawrence, Mich.; three sons, Lester and Franklin, of Frankfort, and Glenn, of New Lenox; one sister, Mrs. Frieda Drenkahn, of Paw Paw, Mich., and eight grandchildren. His wife, Amelia, died, in 1955, and a daughter, Mrs. Marietta Jacobs, died in 1949.

Dismisses Case

Charges of disorderly conduct filed against Clarence Day, principal of the Schmuhl school, by Mrs. Donn Wescott, were dismissed last Saturday by Justice of the Peace Robert Bucher at a hearing in Joliet.

Mrs. Wescott and a son testified and following that Louis Bertani, attorney for Day, asked the court to dismiss the case on the grounds that the complainant had failed to prove her charges.

He did so find, holding there was no breach of the public

Letters To The Editor

LWHS ELECTION

Dear Sir:
It was a year ago that you published a letter of mine regarding a coming high school board election. This was at the height of the ill-conceived Cook County junior college issue. I'd like to recall a few lines from that letter which seem appropriate at this time when we're faced with another high school board election:

"Ever since the first high school board was elected some ten years ago it has been a self-perpetuating closed corporation type of board, and everybody seemed satisfied! There has been no competition for the thankless, no pay jobs. And so we now find ourselves in a situation we don't like but we're all more or less to blame. But this junior college has stirred up competition for the April 13 election. Hooray! A start to a better board for the future. After ten years the blood gets tired, but a couple of shots of new blood taken each year for three years will produce a brand new board, one that will devote itself to the problems of Lincoln-Way.....It will regain the confidence of the voters."

The results last April were successful in that the two incumbents seeking reelection were removed by the voters. On April 13, another election will be held and three new members will be elected. The voters of Lincoln-Way Information Committee (Mrs. Amy Englehardt - Mrs. Jean Howard, Co-chairmen) are again approving a slate of qualified candidates and hope to repeat the success of last year. The trio of candidates being endorsed are pledged to revitalize the Lincoln-Way high school board and to give full publicity to its activities. These three candidates are representative of a widely varied vocational field: skilled labor, farming, and education. Robert Fuley of the Mokena-Frankfort area is a millwright at the Ford plant in Chicago Heights, David McClure is a farmer in Manhattan and Harold Miller of New Lenox is on the faculty of Joliet Junior College and holds a Masters Degree in education. Incidentally Miller was one of the first leaders in the anti-junior college fracas last year which was so thoroughly trounced by a vote of 3000 to 100!

A. OF C. SPEAKER
Robert Yahnke, an official of the Illinois Bell Telephone division at Joliet, will show a film and give a talk before the New Lenox Association of Commerce at its regular luncheon meeting next Tuesday noon in Bruns restaurant. The talk and film will deal with communications and telestar, the world wide distributor of pictures and words. Mr. Yahnke also will discuss the future telephone subscribers may expect in the way of service and equipment.

Cordially yours,
FRED G. LEHMANN

December Slow Month For Suburban Building

(CNS) Nineteen Southwest
Suburbs issued 148 building
permits during December, a
drop of 52 per cent compared
with the 311 issued in Novem-
ber, according to figures just
released by the Bureau of Cen-
sus.

Summit with 81 permits topped
the 19 Southwest suburban
communities. This was an
increase of 20.8 per cent com-
pared with the 67 permits is-
sued in November.

Runner-up was Markham with
27 permits in December com-
pared with 31 the previous
month.

Other Southwest suburbs with
the number of building permits
issued in December compared
with November follow: Romeoville, 19 and none; Oak Lawn, 14 each month; Joliet, 11 and 34; Midlothian, 5 and 8; Oak Forest, 5 and 38; Robbins, 4 and none; Tinley Park 4 and 17; Bridgeview, 3 and 2; Crestwood, Evergreen Park, 1 and 4 each.

Country Club Hills, Lemont, Orland Park, Posen and Worth did not issue any building permits during December.

No data was available for Alsip and Blue Island.

Sale Of Canal Land To Forest Dist. Hits Snag

(CNS) A previously announ-
ced purchase of almost five
miles of Sanitary District prop-
erty along the Cal-Sag by the
forest preserve district has ap-
parently hit a snag.

At a meeting of the directors
of the Sanitary District, Thurs-
day, the board voted to defer
action on an order authorizing
execution of the deed on
property on the north side of
the Cal-Sag Channel between
Kean Ave. and Route 83 and
on the south side of the Chan-
nel between 86th St. and Route
83. At that time board mem-
bers would not give any
comment on the reason for the
deferral.

Monday, the vice-president

of the board, Vince Garrity,
said he had been asked by the
General Superintendent Vinton
Bacon to defer the matter for
further studies. Garrity said
the engineering department
wanted to look into the matter
to determine if the use of the
land by the Forest Preserve
District would cause a contam-
ination of the Channel.

Charles Sauers, Superintendent
of the Forest Preserve Dis-
trict, when questioned on the
possibility of contamination,
said, "That's ridiculous. It's
contaminated already".

Sauers pointed out that he
could not see where the pur-
chase of the property would in-
crease the use of the water
way by small boats. He said that
the main reason he wanted the
Forest Preserves to purchase
the property was he did not want
it to go to industry as in sur-
rounding areas.

Loses Eye --Sues

(CNS) - Stephen S. Otrora,
clerk of the village of Posen,
filed a half-million dollar suit
in Superior court Tuesday
against the Walgreen Company
and the Chase Products Com-
pany, manufacturers of "Spray
Snow," a Christmas novelty
spray.

Norman Miller, Otrora's at-
torney, said that Otrora lost an
eye last Christmas season,
when the pressurized can of
Spray Snow exploded.

The complaint asked damages
of \$250,000 against Chase Pro-
ducts Company located at 20th
& Gardner, Broadview for ne-
gligence in failing to properly
notify the public as to its "dan-
gerous" nature and for not
properly conducting experi-
ments to test the chemical re-
actions of the can.

Another \$250,000 was asked
against the Walgreen Co. for not
clearly cautioning the public
as to the sprays proper use.
Otrora bought the can last year
from the Walgreen store at
13054 Western ave., Blue Is-
land, the complaint stated.

Otrora, who has two years left
as clerk of the Village of Posen,
lives at 14611 Campbell, Posen.

Joliet Junior College Will Exhibit Wares

Joliet Junior College is hav-
ing an "open house" on March
27 from 7:30 to 10:00 p.m. All
juniors, seniors, Junior College
students, parents and interested
citizens are invited to visit the
school and learn about its offer-
ings. Following a general meet-
ing in the auditorium at 7:30,
guests may visit with the mem-
bers of the faculty and see the
departmental displays and dem-
onstrations. Parents and
students will also have an op-
portunity to talk with college
advisers representing the vari-
ous fields of study.

Each year from twenty to
twenty-five graduates of Lin-
coln-Way High School enroll at
the Joliet Junior College.
Several have already applied
for the 1963-64 school year.
The "open house" on March 27
affords an opportunity for all
students and parents to become
better acquainted with the
Junior College and its faculty.

PTA Council, Eastern Area, Elects Officers

The Eastern Area, Will County council, PTA met in Frankfort on Thursday, March 7 at the grade school. The meeting was called to order by president, Margery Smith of Man-

hattan, Mrs. Barbara Putnam of Frankfort gave the secretaries report on the Founders Day Banquet held on Feb. 7. The new officers for the year were introduced by Mrs. Doris Cooper of New Lenox, the nominating committee chairman. The following were elected to office: president, Mrs. June

Fant of Mokena; vice president, Mrs. Beverly Theisfield of Peotone; treasurer, Mrs. Pearl Cheney of Frankfort; and secretary, Mrs. Barbara Putnam of Frankfort. A legislation report was given by Mrs. Marcella Lehman, a fifth grade teacher from Mokena.

It was announced that the May meeting to be held in Manhattan on May 2 will be for all new officers and will comprise a school of instruction. There will be four different classes: one for the president and vice-president; one for treasurer, ways and means chairman, and budget and finance; another for programming and membership and one for publicity and hospitality. All new officers are urged to attend this special meeting.

ICC Approves Plans For Underground Gas Storage

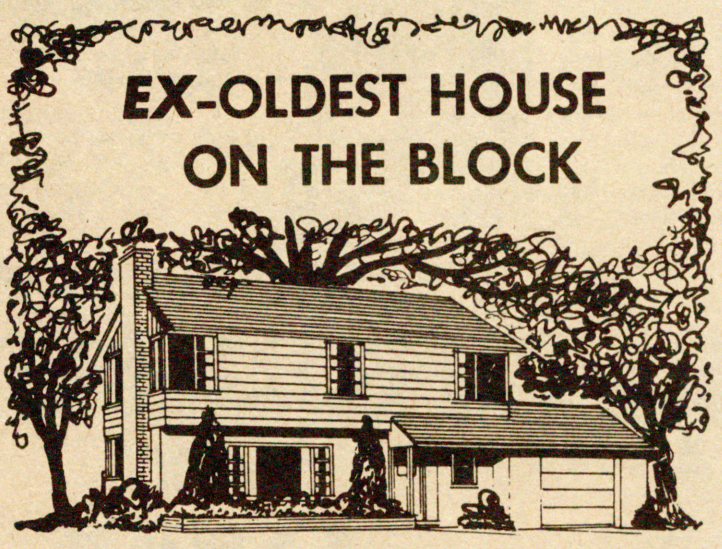

The Illinois Commerce Commission has approved NI-Gas Co. plans to start developing natural gas underground storage site near Ancona (about 7 miles southwest of Streator, Ill.). According to H. E. Schwalm, NI-Gas superintendent of storage, this approval will permit the gas company to go ahead with their plans to install a compressor station on the 160 acres it purchased from the Gilman estate. A gathering system will also be constructed to connect three wells already drilled at the underground storage site. Future plans call for NI-Gas to construct a supply main that will bring natural gas to the site for test injection purposes. At that time, Schwalm said, natural gas will be injected to depths of 2,200 feet where a water-bearing sandstone is located. This sandstone is covered by a dome-shaped solid cap rock, and the gas will form a "bubble" in the sandstone as the water is forced back. Schwalm said the hard rock keeps the gas from seeping upwards; and the water prevents it from seeping downwards. Thus, natural gas injected into the underground structure during the summer months can be stored safely until needed during colder weather. According to Schwalm, the storage capacity of the dome-shaped underground structure could eventually equal the NI-Gas Troy Grove facility (about 10 miles north of LaSalle, Ill.), now in its fourth year of successful operation. NI-Gas serves about 795,000 customers, of which some 460,000 depend on natural gas for heating during the winter months. "On the coldest day this winter (Jan. 24) about 46 percent of our natural gas supply came from underground storage," said Schwalm. He said underground storage has played a vital role in the company's growth, and has enabled it to become the seventh largest gas utility in America.

DOUGLAS TO SPEAK Senator Paul H. Douglas of Illinois will be principal speaker at the 16th annual meeting of the Will County Chapter of Credit Unions in the Terrace Room of the Woodruff hotel, Joliet, on Saturday evening, March 23. He will tell an anticipated 500 credit union officials and guests about his "Truth-in-Lending" bill, which he has recently re-introduced in the United States senate with the co-sponsorship of 19 other lawmakers.

Westhaven Auxiliary Plans Party

"Spring Blossoms" is the theme of the card and bunco party planned by the Westhaven

police auxiliary on Wednesday evening, March 27, at the American Legion hall, 143rd st., Orland Park.

According to Mrs. Darlene Heller, president, the theme will be carried out with the table decorations and table prizes.

The various committees are headed by Mrs. Gail Schultz, general chairman, Mrs. Schultz

will be assisted by Mrs. Anne Hitchcock, Mrs. Lee Firkin, Mrs. Judith Stengl, and Mrs. Shirley Kushing.

Proceeds from this affair will go to the support of an orphan adopted by the auxiliary.

Augustana Nursery Council Plans Annual Luncheon

The Augustana Nursery Council annual spring luncheon, traditionally a social affair, will be held on Friday, April 5, in the nursery lounge, 400 W. Dickens ave., Chicago.

Luncheon will be served from 12 noon until 2 p.m. Tours of the nursery facilities will be conducted throughout the afternoon.

Hostesses for this event are from the following churches: Gustavus Adolphus Lutheran church, Chicago; Bethel Lutheran church, Chicago; Austin Messiah Lutheran church, Chicago; St. Matthew Lutheran church, Chicago.

The Augustana Nursery Council is composed of representatives from 58 Lutheran churches in Chicago and suburbs. Its purpose is to serve as an auxiliary to the child care program of Lutheran Social Service of Illinois.

Since its organization some 45 years ago, the nursery has cared for almost 3,000 children, pending return to their own home, relatives homes, or placement in foster family homes - some for adoption and some for family care without adoption, depending upon the child's particular need.

Hints For Homeowners

BY JAMES FIZZELL, ASSOC. FARM ADVISER

One of the most important parts of having a good lawn is maintaining proper fertility levels. While a soil test will help you establish the availability of plant nutrients in the soil, unless you have already applied fertilizer to your lawn, you can be fairly certain that nitrogen will be lacking in sufficient quantity to stimulate active growth of grass. Nitrogen is usually the most deficient grass nutrient since it is used

by plants in relatively large amounts. It also leaches from the soil or is otherwise easily removed. Nitrogen can be replaced in the soil through the application of any of a variety of common nitrogenous compounds.

A complete fertilizer can be used to supply nitrogen, phosphorus, and potassium, 10-8-6, 10-8-4, and 15-5-5 are examples of complete fertilizers recommended for use on lawns. In 10-8-6 the 10 indicates the percentage of nitrogen contain-

ed in the fertilizer material 8 the percent phosphorus (phosphoric acid), and 6 the percent potassium (potash). Thus 100 pounds of the material would contain 10 pounds of nitrogen, 8 pounds of phosphorus and 6 pounds of potassium.

There are four general classes of nitrogen fertilizers: ammonium, nitrate, natural organic and synthetic organic.

The ammonium and nitrate materials are relatively inexpensive and quick acting. These materials are soluble, and should be used at relatively low rates to prevent burning and still maintain adequate soil nitrogen. Frequent applications of small amounts of ammonium and nitrate materials will usually give satisfactory results. Ammonium nitrate, a common fertilizer, contains both nitrate and ammonium nitrogen.

The organic fertilizers, such as activated sewage sludge and animal tankage, contain nitrogen in quite variable amounts and may also contain phosphorus and potassium. Organic nitrogen is usually in a water-soluble form and will not cause burning of the turf when supplied in large amounts. The availability of this form of nitrogen is dependent upon weather conditions. In cold weather nitrogen may not be released in adequate amounts for good plant growth. Warm and humid conditions cause more nitrogen to become available causing the grass to be in a succulent condition at an inopportune time. The organic fertilizers may improve soil conditions by adding a certain amount of organic matter to the soil.

Synthetic organic nitrogen (urea-form) is a recent development in the fertilizer industry. The urea-forms have a relatively uniform release of nitrogen. This material is rather long lasting. In many areas one application of urea-form per season will give satisfactory results. It is safe to ent growth. The expense of this material is one of its chief drawbacks.

There are many recommendations for lawn fertility programs. Most of these programs will give good results. A common recommendation made for home lawns is two applications of fertilizer a year. An application of two pounds of actual nitrogen per 100 sq. ft. applied in March and again in early September should give good results. It must be remembered that this is actual nitrogen and not the rate for the material as it comes from the bag.

Would Give Motorists Financial Protection

A bill requiring all insurance companies writing automobile insurance in Illinois to offer uninsured motorist coverage was favorably voted out of the senate insurance committee yesterday.

Introduced by Senator W. Russell Arrington of Evanston and several others, Senate Bill 360 provides that every buyer of auto insurance will have the opportunity of buying protection for himself and his family against irresponsible motorists.

The insurance industry is solidly behind the legislation since it substantially reduces the chances of persons not being compensated when injured by a financially irresponsible driver. It is considered far superior to compulsory automobile liability insurance which has proven less than successful in the three states

where it has been tried.

Under the plan, each automobile liability policy issued would include the uninsured motorist coverage. This reimburses the policyholder or his family for injuries suffered in a car or as a pedestrian resulting from the negligence of an uninsured driver. The insurance buyer has the option to reject the coverage if he does not want it. Experience in other states having a similar law, however, shows that less than five per cent of the policyholders exercise this option to reject.

The cost of the additional coverage is nominal, averaging between \$4 and \$5 per car for standard limits.

Many persons are injured annually by motorists who cannot or will not buy insurance, and it is the main purpose of this plan to close the "irresponsible motorist gap."

Sues Police, Villages, Attackers For Assault

(CNS) — The villages of Chicago Ridge and Worth have been sued in superior court as a result of an altercation last March at the American Legion hall in Chicago Ridge.

James L. Gardner, of 10919 Princess ave., Chicago Ridge, also sued Steve Horvath and Stanley Wank, policemen of Chicago Ridge; Richard Demblon and Bernard Bartuch, policemen of the village of Worth and four young men who were subsequently fined as a result of the altercation: Frank Skubis, 18, 11630 S. Laverne, Worth; Gary La Valley, 18, 11554 Kilbourne, Alsip; Larry Postuma, 18, 5700 W. 15th, Alsip and Richard Souliotis, 20, 6830 W. 112th Place, Worth. Gardner charged that he was attacked by the four men at the American Legion Hall March 8, 1962 and later when the four

policemen arrested them at Ridgeland ave., and 108th st., Gardner was brought down the street to identify them, where he was attacked once more and knocked over an automobile, before the police could restrain his attackers.

Gardner charged the villages with negligence in failing to give the police proper training, the policemen with failing to restrain the defendants with handcuffs and asked \$50,000 against each of the police and his attackers and \$100,000 against each of the villages.

Obedience Trained Dogs To Graduate

Graduation classes for the Stone City Kennel Club Obedience School will be held Thursday, March 28 at Fred A. Francis 4H Field in New Lenox. Exercises will begin at 7:30 in the evening. New classes for obedience will begin Thursday, April 4 at the 4H field.

Anyone interested in training his dog may contact Duane Maxwell director of training, at SA 8-7032 in Joliet.

GOODBYE WINTER ?

We certainly hope so! As friends and neighbors, we're as fed up with bitter cold weather as you are.

As members of your Northern Illinois Gas Company, we're proud of the service our people have given our customers during the abnormally cold winter. Through long-range planning and investment in storage and distribution facilities, we've been able to bring you the uninterrupted comfort and convenience of gas heat—despite record-breaking low temperatures.

That's one reason more and more people like you will be heating with gas next winter. The

other reason, of course, is that gas costs less than any other automatic heat. And now gas heat is even more economical, thanks to recent Company and pipeline supplier rate reductions and refunds.

To be sure that you have all the gas you need, whenever you need it, we're continuing to make extensive investments in the development and expansion of our facilities.

Although next winter may not be as severe as this past one, we at Northern Illinois Gas Company must plan ahead to meet your heating needs, no matter how great they may be.
